

Bauder Water Storage Panel WSP 50

Technical Data Sheet

Product description	Shaped board of expanded polystyrene
Application area	Water storage panel with integrated drainage function for roof greening. Multi-functional application for flat roof, pitched roof and light roof greening.
Article number	7448 0050

Characteristic	Unit	Value
Material		EPS, white
Weight	g/m ²	600
Height	mm	50
Compressive strength	kN/m ²	25
Volume	l/m ²	12.5
Water storage capacity	l/m ²	10.1
Packaging unit		Package of 10 m ² (10 boards)
Measurements	mm	Board incl. notch: 795 x 1298 (notch: 15 mm) Sheeted area: 1 m ²
