

Bauder Protection Fleece SV 300

Technical Data Sheet

Product description	Mechanically solidified staple fibre fleece of regenerated polyester fibres
Application area	Protection fleece for single-ply and bitumen waterproofing membranes
Article number	7440 0300

Characteristic	Unit	Value
Material		PES regenerated fibres, varicoloured
Weight	g/m ²	300
Thickness	mm	3
Water storage	l/m ²	2
Packaging unit		Roll of 120 m ²
Measurements	m	2 x 60
